

Statement from South Milwaukee Mayor Erik Brooks on the Closure of the Grobschmidt Senior Center

Out of an abundance of caution and following consultation with the South Milwaukee and St. Francis Health Department, we are closing the Grobschmidt Senior Center, effective at 4 p.m. on Friday, March 13. It will remain closed until further notice.

We are working with the Milwaukee County Department of Aging and other potential partners to ensure seniors who take part in the Milwaukee County senior dining program will still receive meals.

Said South Milwaukee Mayor Erik Brooks: “We do not take this decision lightly. But due to the vulnerability of users of this facility to COVID-19, it is the right thing to do to close the Senior Center. We will share updates on the center as new information becomes available.”
